COMMITTEEMEN CALLED TO MEET

Republican Precinct Workers to be
Here Saturday Following Dis-
trict Session Wednesday

TO PREPARE FOR PRIMARY

Candidates Who Expect to Seek
Nominations Should File De-
clarations in Two Weeks

A meeting of all republican precinct committeemen and their helpers has been called for Saturday afternoon at 1:30 o'clock by County Chairman A. L. Riggs. Special importance is attached to Saturday's meeting because of the fact that it follows the meeting to be held here Wednesday when the district chairman, Walter Bossert, and the acting state chairman, L. W. Henley will be here and leave some information for conducting the primary election.

Aside from the district chairman and acting state chairman, chairmen of several counties will be here and a number of the state candidates may attend the meeting Wednesday. Any members of the party wishing to meet these committeemen are invited to the meeting which will be held in the office of Mr. Riggs on Wednesday afternoon at 1:30 o'clock.

"The primary is an open race," stated County Chairman Riggs today. "Anyone wishing to run for office is free to do so. That the election be a free-for-all is the purpose of the primary and unless we take advantage of it, the object will be lost."

Only two weeks are left in which persons wishing to run for office may file their declarations. To do so, they may call at the clerk's office or at the office of the county chairman of either party for a declaration of candidacy, fill it out, and file it with the county clerk. A number of candidates have filed their declarations and others wishing to do so are urged to see to it in the near future.

Four delegates to the state convention will be elected at the primary from Rushville township and one from each of the other townships, making a total of fifteen which will represent Rush county. Attention of those wishing to serve as state delegate is called to the fact that they must file a declaration with the county clerk similar to those running for office and their names likewise must appear on the ticket for the primary. These declarations should be filed by the first of April.

On the declaration of the state delegate must appear the names of ten voters of his township. They need not be from his precinct or need not be property holders but must be voters. One of these ten who have signed the petition then must take the declaration before a notary public and swear to the fact that the candidate wishing to be state delegate is a voter. County Chairman Riggs is anxious that as many as possible of these declarations be in by the time of the meeting of the precinct committeemen and their helpers on Saturday afternoon.

In addition to the delegates to the state convention, the following nominations for county offices, which will be filled at the election next fall, will be made at the primary May 7: coroner, prosecuting attorney, commissioners of the north and south districts, treasurer, recorder, sheriff, surveyor, representative, assessor and 7 councilmen. There are republican candidates announced for all these offices except councilmen, coroner and prosecutor. Township assessors, trustees and advisory boards consisting of three members also will be nominated.

Mrs. Mary McNair is suffering from an attack of tonsillitis.

SPEAKERS ARE ORGANIZED

Plans Being Made For Township
Patriotic Meetings

Speaking teams are being organized and dates and places fixed for the opening of the series of patriotic meetings to be conducted over Rush county in the near future. It is probable that the series will be started early next week. About ten Rush county men will be enlisted as speakers and will alternate in going to the different townships to present the cause of the Liberty Loan drive to begin April 6 and each of the other patriotic enterprises being urged by the Rush county War activities organization.

SIX INDUCTED INTO SERVICE ARE ACCEPTED

Four More Class One Registrants to
go Voluntarily Wednesday to
Vancouver, Wash.

RECEIVE SPECIAL PERMITS

The county army selection board has received word that all six class one registrants who have lately been voluntarily inducted into some branch of the service have been accepted at the various camps where they went.

Four more class one registrants leave Wednesday for Vancouver, Wash., to be inducted into the spruce production division of the flying sections of the signal corps. They are Earl Miller, Charles Cecil, Raymond Porter, and George Baker. They were ready to entrain for Vancouver once before, but were notified the branch had been closed to voluntary induction. However, all four received special permits to enter from the commander of the camp.

Edgar S. Combs, formerly of Glenwood, a Rush county class one registrant, is probably at Fort Oglethorpe, Ga., by this time, the board believes, because the board has been informed he was being inducted into the medical officers training camp from Columbus, O., where he has been employed as a trainman.

FOR VIOLATING THE MOTOR TRAFFIC LAWS

Seven Appear in Police Court Today
And Three Others Were Sum-
moned Who Did Not Come

SIX FOR NOT USING DIMMERS

Six persons were brought up in mayor's court this morning and one this afternoon for violating the motor traffic laws, one for using a spotlight in the city and the others for failing to use dimmers on their machines.

Wheeler Lakin was fined one dollar and costs for using a spotlight in the city on his machine and the same fine was given Walter Smith, L. E. Gardner, Wallace Cook, Luther Bundrant and John Norris. Benny Norris was brought up this afternoon on the same charge. George Bell, Rue Webb and James Hobbs were summoned to the court on a charge of failing to use dimmers but did not appear in court.

The police force is enforcing the traffic laws and lighting rules to the letter. The arrests were the first made here this year for violating the spotlight and dimmer laws. Several arrests have been made for not displaying the proper license numbers.

MURDER 150 JAPANESE

Tokio, March 18.—Russian Maximalists have murdered 150 Japanese in Amura near the Manchurian border, according to dispatches to the Hochi Shinbun here.

ACCIDENT VICTIMS WELL KNOWN HERE

Mr. and Mrs. Ralph Gray and Two
Children of Anderson Killed
When Train Hits Machine

HAVE VISITED IN RUSHVILLE

Mrs. Gray Was a Niece of Val and
Walter Conaway—Family on
Way to Knightstown

Mr. and Mrs. Ralph Gray and two children, Mary and Ralph, who were killed instantly yesterday afternoon when the automobile in which they were riding was struck by a Big Four train at Pendleton, seven miles southwest of Anderson, were well known in this city and had visited here. Mrs. Gray was a niece of Walter and Val Conaway, who received word of the accident yesterday shortly after it had happened. She was also a niece of Mrs. Esther Bailey of Circleville and a cousin of Charles Alger of this city.

Mr. and Mrs. Gray and children had left their home in Anderson shortly after one o'clock, planning to go to Knightstown. At the crossing where the accident occurred, the Big Four tracks cross the pike at an elevation. Trains could be seen, however, on either side of the road for half a mile. The auto was running southwest and the train west.

Although the cause is not known, it is supposed that Mr. Gray either misjudged the speed of the train or failed to see it until it was too close. The coroner will conduct a rigid investigation for he has been informed that the train was running fifty miles per hour.

The automobile was hurled a half mile down the track by the train and the bodies of Mr. and Mrs. Gray and the children were strewn between the automobile and the crossing. Mrs. Gray, before her marriage was Miss Myrtle Tait.

Mr. and Mrs. Walter Conaway and Mr. and Mrs. Val Conaway went to Anderson this morning to attend the funeral services of the Gray family.

JOHN JOSEPH MURPHY EXPIRES AT CHICAGO

Remains of Former Rushville Boy
Brought Here and Funeral Will
be Held Tomorrow

HE LEFT HERE 15 YEARS AGO

The remains of John Joseph Murphy, formerly of this city, who died in Chicago from cerebral hemorrhage Saturday morning, reached this city last night and the funeral services will be held at the St. Mary's Catholic church at eight o'clock tomorrow morning, with burial in East Hill cemetery. Father M. W. Lyons will be in charge.

Mr. Murphy was 27 years of age and until about fifteen years ago lived in this city. Leaving here when a boy, he moved to Colorado and later went to Chicago where he had made his home for the past few years and was employed as a clerk at the Congress hotel. His illness was brief and he was taken to a hospital in Chicago Thursday morning. His death occurred Saturday morning at 9 o'clock.

His wife, Mrs. Murphy, survives. She is here for the funeral services. He was the son of the late Mr. and Mrs. Dan Murphy of this city. A brother, George Murphy, of Omaha, Neb., also survives. Mr. Murphy was a nephew of the Misses Margaret and Minnie Murphy, Mrs. George Wingerter and Ed Gantner of this city and a grandson of Mrs. Murphy.

The remains are at the home of Mr. and Mrs. George Wingerter at 316 West Second street where friends may call.

HIGH SEED CORN PRICES LOWERED

Specific Information of Extortionate
Prices to be Investigated by
Committee.

FIVE DOLLARS IS FAIR PRICE

Unusual Shortage in This Section
Causes Grain to Soar
Highest Ever.

The extreme high prices which have accompanied the sale of Rush county seed corn as well as the corn in other sections of the state have compelled the national agricultural department and the food administration to take steps to prevent speculation and profiteering on the part of seedmen.

Because of the unusual shortage for the year 1918 spring planting, the price of good seed corn soared almost out of the wildest imagination of farmers when compared to the price of the same grain in former years. Corn has sold recently, in Rush county all the way from eight dollars to twenty dollars a bushel, the greatest part of it having been sold for twelve dollars, notwithstanding the fact that several weeks ago five dollars was regarded as a fair price.

Although the government has placed emphasis on the fact that there must be an ample supply of seed regardless of the effort to obtain it, it does not mean that when once obtained it may sell for prices far above a fair profit mark. A fair price should be determined by the actual service performed in obtaining and conserving such seed.

Certain sections of the country in the territory including Indiana have suffered most severely from the outlandish prices which followed the acute shortage. Other sections, apparently providing their own requirements without difficulty, naturally found relatively lower prices.

The food administration has announced that it will take whatever action is necessary to prevent specu-

SEIZURE OF DUTCH SHIPPING IS DELAYED

Held up a Day Evidently for Pur-
pose of Giving Holland Chance
to Accept Terms

WHAT HER ANSWER MAY BE

(By United Press.)

The Hague, March 18.—Holland's answer to the allies regarding the shipping situation will probably be that she cannot prevent seizure of her ships but will not agree with the allies proposals.

Washington, March 18.—Delay in receipt of an official cable bearing on the Holland allied negotiation for taking over tonnage will hold up the seizure until tomorrow.

While the shipping board stated today that the navy would take over the ships at noon, the navy said it had no orders to put its naval reserve men on the vessels today. The state department indicated Holland had not accepted the proposed agreement but added she had never opposed the use of vessels in the war zone.

The department claims to have no reply from Holland and it appears that the delay in requisitioning was to allow an opportunity to Holland to make a last minute agreement.

TO BUY RAIL EQUIPMENT

(By United Press.)

Washington, March 18.—Bids will be asked soon on railroad equipment totaling \$200,000,000 it was stated by the railroad administration today.

AUTO IS CROWDED OFF ROAD

Harry Hawk and Bert Heisner Nar-
rowly Escape Injury

Harry Hawk and Bert Heisner narrowly escaped injury last night when the machine in which they were riding slipped off the road near the bridge east of Arlington, turned over and rolled down the steep embankment. They were driving east and as they approached the bridge a machine was coming toward them which crowded them off the road. Mr. Hawk was badly bruised. No bones were broken and the injuries of the young men are not serious. The machine was damaged slightly.

TEACHERS WILL MEET IN ANNUAL SESSION

Local Teacher Will Appear on Pro-
gram For District Meeting to
be in Richmond

WILL BE TWO DAY MEETING

The fourth annual session of the sixth district teachers association will be held at Richmond on Friday and Saturday of this week. A good representation of Rush county teachers will attend the meeting and several will take part on the program.

J. H. Francis, superintendent of the Columbus, Ohio, schools who addressed a recent city teachers' institute here, will be one of the principal speakers. Friday evening he will talk on "The Discovery and Development of Human Power," and Saturday afternoon on "Time Conservation in Education."

Miss Marjorie Smith, teacher in the Graham Annex, will talk on Saturday morning, representing the intermediate section of the schools with a talk on "English—Composition and Story Telling." Miss Mable Huber of Mays will lead in the discussion following the talk. W. E. Wagoner of Milroy is vice-president of the association and on the executive committee. Superintendent J. H. Scholl will have a part on the program.

Previous association meetings have been held in Rushville, Connersville and Newcastle.

BELIEVES RUSSIAN PEOPLE WILL RECOVER

Embassy at Washington Says Peo-
ple Will Re-establish Free and
Independent Country

TROTSKY ON JAP QUESTION

(By United Press.)

Washington, March 18.—That the Russian people will continue to fight and by the assistance of the allies will recover from the German-Lenin peace blow and re-establish a free and independent Russia, was the belief of the embassy today.

Petrograd, Mar. 18.—Leon Trotsky, Bolshevik war minister declared in an interview today that an agreement exists between German and Japan to "divide Russia to reach each others mutual interests." Trotsky declares that the allies' greatest error has been in assisting the Japanese plan for occupation of Siberia.

"America will be the first to regret the allied policy," he said.

TWO BOLSHEVIKI QUIT

Petrograd, March 18.—Two Bolshevik commissioners quit the cabinet in addition to the 4 social revolutionists as a result of the ratification of the German peace treaty. They announced their intention of declaring a "merciless" war on imperialism.

NO OFFENSIVE IS INTENDED IN WEST

This is Belief of War Department,
According to Weekly Review
Issued Today.

CONCENTRATION AT THE LIMIT

American Troops Occupy Trenches
at Five Points And Are Con-
stantly in Action.

(By United Press.)

Washington, March 18.—The war department for the first time today indicated its belief that the Germans do not intend a major west front offensive this spring.

"While hostile preparations for an offensive in the west are not slackening it is becoming more evident that the enemy will launch this offensive only in circumstances compelled by the general situation," says the weekly review.

"German concentration of troops on the west front has now reached the limit."

The statement also reveals that American troops now occupied trenches at 5 points and that they have been constantly in action.

Peace Drive For Offensive.

London, March 18.—Germany has substituted its most subtle peace drive for its long expected western offensive.

The result of this move depends on the ability of allied statesmanship to show the people that this war is not lost and will be repeated if the allies are induced to trade their advantage in the west for German's advantage in the east and make peace on the German terms.

The recent peace feelers soon will assume tangible form, including not only complete restoration and reparation for Belgium and France but a compromise on the disposition of Alsace and Lorraine. Besides an offer will be made to assume liability for the big French loans to Russia, which the Bolsheviks repudiated, provided Germany is given a free hand in the west.

British Conduct Raids.

London, March 18.—The British troops successfully raided enemy positions last night taking several prisoners and sustaining slight losses. Field Marshall Haig reported today. Strong artillery was reported along the right of the Meuse and the Vosges, in today's official Paris statement.

HELD FOR MORTGAGING MORTGAGED PROPERTY

Paul H. McConnell, Former Drug
Store Proprietor Here, Arrested
In Indianapolis Today.

MISREPRESENTATION ALLEGED

Paul H. McConnell, former owner of the new defunct Court House drug store, was arrested in Indianapolis today by Deputy Sheriff Will Spivey for mortgaging mortgaged property. He was brought here this afternoon and placed under \$500 bond when arraigned before Judge Sparks. Late this afternoon he had not yet obtained bond.

It is alleged that McConnell's store was mortgaged and the mortgage was held by the Keifer Drug company of Indianapolis when McConnell mortgaged the store again and negotiated a loan of Walter Smith of this city. It is charged that he swore when mortgaging the stock the second time, that there was no other mortgage on the place.

McConnell, while he was conducting the store here, was twice prosecuted in the circuit court for the illegal sale of intoxicating liquor and was acquitted both times.

Women Prepare

Thousands of women in Indiana have overcome their sufferings, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. This temperance medicine, though started nearly half a century ago, sells most widely today. It can now be had in tablet form (60c a package) as well as liquid, and every woman who suffers from backache, headache, nervousness, should take this "Prescription" of Dr. Pierce's. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription, for its ingredients are printed on wrapper. Send 10c for trial package tablets to Dr. V. M. Pierce, Invalids' Hotel, Buffalo, N. Y.

OPERATION AVOIDED

LAFAYETTE, IND.—"Three years ago I was taken to the hospital—all arrangements made for an operation, but when the doctors were uncertain as to whether it was to be for appendicitis or woman's trouble I insisted upon being taken home until they were of one opinion as to my ailment. Then a friend told me what wonderful remedies Dr. Pierce's were, selling right from the drug shelves, and thought they might give me relief. I bought a bottle each of 'Favorite Prescription' and 'Golden Medical Discovery' and a box of 'Lotion Tablets.' These relieved me of a catarrhal condition, all abdominal pain, etc. But I took the medicines for almost a year to make sure of a complete recovery. Today I am in absolutely good health."

LEARN FOOD CONSERVATION

Soldiers Taught This in Camp, Corporal Smith Says in Talk Here

"Along with the arts of fighting every soldier in the country is learning food conservation," stated Corporal Wallace Smith of Fort Thomas, Ky., in a short address before the Sunday school classes of the First Presbyterian church yesterday morning.

The minimum amount of waste from the mess shacks was discussed by the young Sammy who stated that in recent months the waste from the mess kits had decreased fifty percent. Portions of bread left untouched at the end of a meal are kept, with the soldiers tag on them, until the next meal when the "left-overs" must be eaten before they are given more.

WHY WE SHOUT FOR OURSELVES

We are not doing our own shouting just because others will not shout for us—no. We are simply CALLING YOUR ATTENTION to the shouting our customers are doing for the RUSHVILLE SPECIAL manure spreader which sure is a wonder worker when compared with everything else on the market.

This modern machine, built especially for us and to fill the needs of this territory, is the machine you will buy SOME DAY, and so why not buy it NOW. It is the spreader that is going to gradually out-class everything else in the field, and we have at least twenty special reasons for making this positive statement.

One of the special reasons why this spreader takes the lead is the SELF-CLEANING CONVEYOR—the conveyor that cannot foul or clog and which is good for any climate or any weather or any kind of material. Another reason is the NO CHOKE BOX which cannot be choked down like you can choke other spreaders. You must see this expansion chamber to appreciate it.

Two more reasons are: First, a beater wheel or cylinder that cannot be clogged, cannot choke down with any kind of material that ever comes from a spreader. Our BULL-DOG tells its own story. We also want to refer to our OIL-PACKED MAIN BEARINGS, like the bearings under a freight car. They feed the oil automatically and never go dry.

We are going to give you a lot more points in favor of this spreader a little later on, but we want you to come and see this wonderful machine now—see it on the floor and see it working in the field. We can prove our case if you will give us a chance.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients. You will know them by their olive color.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

NATURE'S WAY TO OVERCOME STOMACH TROUBLE

How the Body Can be Fortified to
Correct Digestive Upsets, Colds,
The Grip, Tonsillitis And
Other Ailments

For 28 years Hull's Superlative has been meeting with remarkable success in overcoming sickness and ailments of various kinds, and for this reason was heralded as "the greatest medicine on earth." A recent analysis of this preparation by Prof. Cloyd M. Reeg, Dean of the Department of Science, Findlay College, proved that it was not in reality a medicine, but a tissue and vitality-builder, and contains in very highly concentrated form all the important minerals of which the body is composed and which are necessary to maintain the health-balance that insures greater efficiency.

Now that it has been demonstrated that Hull's Superlative is not a "cure-all," but tissue and nerve builder, men and women are quick to realize the value of this preparation in time of need, and very gratifying results have been reported by many people in this city since they began to take it.

Hull's Superlative has restored health in thousands of cases of kidney, liver, bladder and bowel trouble, rheumatic conditions, anemia, loss of health and strength, nervous disorders and similar ailments.

So confident are the makers of Hull's Superlative that it will restore health without fail in every instance—no matter what the trouble may be—that druggists have been instructed to refund the price paid if a customer does not get the results he thinks he should. This certainly is a very broad guarantee.

On Testing Seed Corn

Even in this enlightened age when
methods of farming have been ad-
vancing rapidly, there are still many
farmers who have not and will not
test their seed corn. Aside from the
fact that they will reduce the risk of
planting any seed that will not mat-
ure and cause a subsequent loss, by
testing seed corn, there is a patri-
otic side for farmers to consider.

The government this year more
than ever is urging that food pro-
duction be increased and it will be
much more difficult to meet this re-
quest this year than it was last be-
cause of the shortage of farm labor.
Because of these conditions, it is
imperative that every farmer test
his seed corn. It is his patriotic duty
to do so, because by not doing it,
he runs a grave chance of reducing
the yield which might be largely in-
creased with same amount of labor
by the simple expedient of following
the advice of farm experts.

Here's Where The Fun Comes In

"Was not the Aurora Borealis, as
it appeared the other night a most
beautiful spectacle?" queried a lo-
cal woman in an attempt to change
the conversation as her friend con-
tinued to bore her with the happen-
ings during a recent pleasant visit in
Shelbyville. "I didn't see it," rattled
on the main half of the conversation
anxious to return to the story of her
visit "That occurred while I was in
Shelbyville, but I guess they're going
to have it down there next week." The
woman who admired the beauti-
ful northern lights as they appeared
in the heavens is still wondering to
which of the most recently released
movie stories her visitor referred.

The mere fact that farmers have
not been testing their seed corn and
have been raising good crops in
Rush county is no excuse for not
testing their seed corn this year.
They might have been raising much
large crops, in many instances if
they had tested seed corn in years
past. There is no way of determin-
ing whether they would or would not
have raised more corn, based on ac-
tual figures, but it is certain that not
all of the untested seed corn that
has been planted in Rush county has
been perfect and matured. That is
fact. If it were there would never
be any imperfect ears found in the
process of testing.

C. P. Hartley, in charge of corn
investigations of the United States
department of agriculture, says that
in many cases seed selected last fall
froze before drying and contains
weak and dead ears. He advises,
even at this late date, that the best
place to get seed is from corn grown
in the neighborhood. Unless a pre-
liminary germination test shows that
most of the ears will grow, he says,
careful sorting followed by germi-
nation testing of each individual ear
chosen will be necessary.

The department has found, after
testing various methods, that the
"rag doll" tester, is simple, cheap
and satisfactory and has just issued
a farmers' bulletin 948, "The Rag
Doll Seed Tester: Its Uses in Deter-
mining Which Ears of Corn Are Fit
for Seed." A copy will be sent free
on application.

M. F. Detrick, emergency demon-
stration agent for Rush county, used
this method and will demonstrate
it to any farmers who will call at the
county superintendent's office. How-
ever, he can test only a limited num-
ber of ears for each farmer and the
farmer who has any great amount of
seed to be tested should set up one
of these testers.

By the use of this tester during
the next few weeks even an eight
year old child can find out which
ears can be depended upon to grow.
The situation is unusual and calls
for unusual precaution. Unless the
individual ear testing is promptly at-
tended to, thousands of farms will
have poor stands, wasted labor, idle
land, or soft corn this year. To re-
plant or to plant seed of southern
varieties is likely to cause a recur-
rence of the soft corn situation next
fall. Testing out from locally grown
supplies the ears that will germinate
is the best means of obtaining seed
that will produce a good stand and
a well-matured crop.

Prof. E. A. Ross of the University
of Wisconsin, who is just back from
Russia, says the Bolsheviks know
where they are going. Which is
probably true, as the road to Ger-
many is no doubt plain enough.

In deciding on a renewed German
offensive, perhaps Hindenburg con-
cluded Petrograd would be a more
suitable place than Paris for that
April fool dinner.

pagne front. They wish the folks
at home to understand, however,
that there's nothing in a name.

HOW TO GROW Collards

The culture and uses of collards
are the same as for cabbage. The
plants should be started in very ear-
ly spring and set out as soon as the
ground is in condition. They with-
stand the heat better than cabbage
and are much used in the southern
portion of the county. Collards do
not form a true head, but instead a
loose rosette of leaves, which, when
blanched, are very tender and of de-
licate flavor.

No southern garden is complete
without this plant. Too often, how-
ever, it has constituted the sum total
in the shape of garden supplies. Use
it, but don't abuse it.—U. S. Depart-
ment of Agriculture.

SEVERAL CASES ARE SETTLED IN COURT

Guilty on Saturday

HIS CASE WAS SET FOR TODAY

Several cases have been settled
in the circuit court. There was no
trial in court today as the case of
the state against Frank Hutson,
which was set down for today, was
settled Saturday when Hutson
pleaded guilty to the charge of ac-
cepting stolen property and was
given a suspended sentence.

The case of Charles L. Tindall
against Richard R. Harter for \$500
on an account was dismissed by the
plaintiff and the costs paid. Finding
and judgment on principle and in-
terest for \$79.97 and costs was re-
turned in the account suit of the
Kenney Machine Co., against Ells-
worth Kiser for \$100. Luther Cald-
well was given judgment as prayed
for \$6 against the estate of Harry
Sweet. Judgment against the estate
of Oliver M. Cartmel for \$8.47 was
allowed Roosa Ratliff. The suit of
Charles A. Mauzy and Albert Den-
ning for \$36.38 on a judgment was
dismissed and the costs paid. A mo-
tion for a change of venue was filed
in the case of Arthur M. and W. S.

Woman Feels Strong Again

Tells How Tanlac Built Up Her Sys-
tem and Brought Back
Strength

"I'm a great deal stronger and
feel as well as I ever did in my life
since I've been taking Tanlac," said
Mrs. H. Klendworth, of Crawfords-
ville, Ind. "My system was all run
down before," she continued.

"I was so nervous that I couldn't
sleep well and often would lie awake
for hours. Then when I got up the
next morning I'd feel all tired out
and it would be about all I could do
to drag around the house and do the
work. The slightest noise would just
put me on edge.

"And besides, I was having a lot
of trouble with my stomach. Noth-
ing I ate agreed with me.

"Well, as I said, Tanlac has im-
proved me so much that I'm really
feeling strong now. My nerves have
been strengthened and built up so
that I sleep soundly every night.

"My stomach is back in good
shape, too, and I don't have trouble
after meals like I did before.

"Yes, Tanlac is a fine preparation
and I want to recommend it for oth-
ers."

Don't let your system get run
down. Weakness is dangerous. If
you are not feeling right get Tanlac
and get it today. You can get Tan-
lac at F. E. Wolcott's drug store.

Try Tanlac Rheumatism Treat-
ment for rheumatism! It is the ra-
dium treatment for rheumatism that
you are hearing so much about! You
can get Tanlac Rheumatism Treat-
ment at any good drug store where
you get Tanlac, the famous tonic.

DELCO-LIGHT

Attract "Hired Labor" to the Farm
Increases Farm Efficiency

Most men who work for wages prefer the city shops—a definite number of working hours. On the farm there can be no fixed working schedule. At the end of a hard day's work there are always the "chores" to be done.

But where DELCO-LIGHT is used there is plenty of bright, safe electric light. "Chores" can be done with half the time and effort. The water may be pumped electrically, and there is also electric power for operating machines that must otherwise be turned by hand.

And then, after the day's work is finished, the "hired man" may share the comfort and contentment of a well-lighted, modern home, or he can retire to a private, cheerful room of his own. DELCO-LIGHT is a complete electric light and power plant.

DELCO-LIGHT runs on kerosene, and soon PAYS FOR ITSELF IN TIME AND LABOR SAVED.

RUSH PROHI PARTY FOR COUNTY RALLY

Temperance People Arrange Meeting to be Held in Court House April 6

PART OF STATE CAMPAIGN

Oliver W. Outland, representing the Indiana Dry Federation, has completed arrangements for the county rally of the Temperance people of the county to be held in the court room in the court house on April 6.

The state executive secretary, F. W. Lough, with his singer, J. W. Huddleston, together with other workers, will have charge of the day's program. A state-wide campaign is being launched for the stirring up of sentiment in behalf of war prohibition, and the election of members to the next legislature, who will stand on a platform of non-repeal of our state-wide law, and for the ratification of the National prohibition amendment.

The first session of this County Rally and Conference will begin promptly at 10:30 and the afternoon meeting at 1:30.

Amusements

At the Princess

Kitty Gordon, noted for her beautiful and elaborate costumes, appears at the Princess theatre this evening in "Her Hour," a story of New York cabaret life, with scenes laid in some of the city's best known cafes. The story holds many thrilling situations. In addition an extra Ford educational weekly will be shown. Tuesday's program holds two features. They are Fatty Arbuckle in, "Oh Doctor," said to be one of his funniest pictures, and Pauline Frederick in "Double Crossed," a dramatic picture of deep interest.

William Fox will present Theda Bara in "Cleopatra," the widely heralded film version of the love of Egypt's siren Queen at the Princess next Friday afternoon and evening. Described as a film spectacle of surpassing beauty, "Cleopatra" bears on the screen the passions of the vampire of the Nile. The ancient siren is admirably impersonated by the foremost modern exponent of siren roles. The filmed Cleopatra depicts her historical encounters with Caesar and Anthony, and the defeat of her army and that of Anthony with the forces of Octavius. It shows as well the world's first naval battle of Actium—where the combined fleets of Anthony and Cleopatra were routed and finally burned to the water's edge by the Romans.

At the Gem

It is not generally known that an adventure of Irene Castle's almost deprived America of her presence "for the duration of the war." While Vernon was serving with the British Royal Flying Corps in France he was wounded, and went to England to recuperate. Mrs. Castle crossed the Atlantic to see him, and when he had recovered and was about to return to the front, she prepared to return to America.

"I discovered," she says, "that I was a British subject, because of my marriage to Vernon, and they were prohibiting all English people from leaving England."

"Finally the situation was explained by an influential friend to some influential friend of his and—well, influence is a great help in some cases."

She is certainly back now and is to be seen at the Gem theatre today in one of her big Pathe features called "Vengeance is Mine."

LEBANON WINS AGAIN

Bloomington, Ind., March 18.—Lebanon won the state high school basketball championship here Saturday night by nosing out Anderson in five minutes overtime in the final game of the tournament. The score was 20 to 20 when time was called and Lebanon scored four points in the five minutes. Lebanon won the tournament last year and also once before that was state champion.

A marriage license has been issued to Corean Godwin and Bernie Adams, both of this city.

Private Herman Osborne who will return to his regiment at Camp Shelby Wednesday entertained a number of friends at his home in West First street yesterday evening with an informal dinner party in honor of Thomas McClelland of Louisville, Ky. The dining room was attractively arranged with a profusion of flowers and greenery and the guest favors and place cards were suggestive of St. Patrick's day. Covers were laid for Miss Mattie Bates, Miss Sarah Whitesides, Miss Mary Gardner, Miss Marietta Ball, Miss Rena Rout, Hugh Gordon, Herschell Small, Ray Foster, Russell Ruhlman and Elmer Osborne.

A surprise dinner party honoring the birthday of Ed L. Beer was given last night at six o'clock at the Beer House when the Members of the Harmony club and several other guests were entertained. In the dining room where an attractive color scheme of green and white was carried out, flags, napkins, place-cards and the artistic floral decora-

tions were all suggestive of St. Patrick's day. The guests, among whom were Mr. and Mrs. M. C. Smith and sons of Cincinnati, presented the guest of honor with a rocking chair.

The Sunday school class of the St. Paul's Methodist church taught by Miss Ellen Vickery met Friday evening at the home of Miss Anna Siders for the purpose of perfecting a complete class organization. Miss Hazel Stech was elected president, Miss Maud Smith, secretary and Miss Anna Siders treasurer. The class has been named the Good Samaritan and at their initial meeting voted to open a Thrift Stamp bank.

Green carnations made an attractive decoration in the dining room at the home of Mr. and Mrs. Perry Cross south of the city yesterday when they entertained with a twelve o'clock dinner party. Covers were laid for Mr. and Mrs. Samuel Hendricks, Mr. and Mrs. Carl Hendricks, Mr. and Mrs. Raymond Fair, Mr. and Mrs. Ernest Linville and children, Miss Edna McGuire, Thomas Fair, Miss Adaline Newland and William Fair.

The Anker-Holth Cream Separator

is the only Separator on the market that has a SELF BALANCING BOWL and has no lead or soft solder on the inside in order to perfect a BALANCE, which you will find in other makes of Separators. The bowl is guaranteed to stay in balance the life of the machine. The Bowl is Self-Draining which makes it non-freezing in cold weather. It is easy to turn and easy to clean, and can be washed in one-half the time you can wash any other Separator.

The Anker-Holth has no oil holes or feed cups. It is oiled by an up-to-date oil system; you only put oil in every 60 or 90 days. The ANKER-HOLTH will skim closer than any other Separator on the market today, which has been proven by tests with other leading Separators and tested by the Babcock cream tester. It is the only Separator with a dirt chamber that removes all impurities from the whole milk before it enters the discs for cream separation.

The Anker - Holth is a High-grade Separator at a Medium Price.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers—Meat forms uric acid.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Bert Norris is quite ill at his home in Noble township.

The case of May Shoppelle against Elizabeth Peck for partition and an accounting, demanding \$1700 has been dismissed in circuit court and the costs paid.

Fred McFatridge, as guardian of Elmer Cowger, a person of unsound mind, has filed suit in circuit court against William A. Cowger for \$300 to collect rent due.

The suit of Fletcher Ball against the Carthage and Arlington banks and two Knightstown banks for attachment and demanding \$5,000 has been dismissed in circuit court at the cost of the plaintiff.

Faye Wylie, son of Mr. and Mrs. W. A. Wylie of Arthur street, who is stationed at Camp Shelby, is in the base hospital where he underwent an operation a few days ago for the removing of his tonsils.

Charles Miller underwent an operation in Indianapolis today to have his adenoids removed. He was accompanied to the hospital by his father, Otis Miller, who will remain until the boy returns to his home in this county.

An important meeting of the officers and teachers of the United Presbyterian Sunday school will be held at the church following the prayer meeting service on Thursday evening. Officers for the coming year will be elected at this time.

Lew Lewis of Manilla has announced his candidacy for the democratic nomination for trustee of Walker township and is opposed to Ezra Carnony of west of Manilla, who moved to Walker township about 8 years ago from Shelby county. Mr. Lewis is an active party worker.

Hugh Dillman of New York who has frequently visited Denning Havens in this city is expecting to sail for France at any time. He is in the Radio service of the army. He gave up a position of one of the leading roles in the Barrie Plays, which recently played in Indianapolis, to enter the service.

R. J. Blank, a former teacher in the local high school who is now stationed at Fort Thomas, Ky., has been released from the base hospital after being confined there for several weeks with various illnesses. First he suffered an attack of appendicitis and was out of the hospital only one day after that when he contracted scarlet fever. During the first week of his sickness with fever, he had mumps. He has recovered now.

MOVE TO NEW STORE ROOM

Callaghan Co. and H. S. Havens 2 Doors West of Former Place

The Callaghan Company and H. S. Havens have practically completed moving from their former room in East Second street two doors west to the room directly east of Aldridge's grocery. The room has been remodeled for the dry goods and shoe store and made very modern and convenient. The change resulted in the room being made much lighter than formerly. A balcony has been built over the rear of the room for children's clothes and a stairway leads from the balcony to the second floor.

GAVE HER DELICATE CHILD VINOL

It Built Him Up and Made Him Strong

Newaygo, Mich.—"My little boy was in a delicate, weak, emaciated condition and had a cough so we had to keep him out of school for a year. Nothing seemed to help him until Vinol was recommended, and the change it made in him was remarkable. It has built him up and made him strong so his cough is almost entirely gone. We can not recommend Vinol too highly."—Mrs. E. N. Hanlon.

Foley's Honey and Tar.

A standard family medicine of many years standing for la grippe and bronchial coughs and colds, tickling throat, hoarseness, stuffy wheezy breathing and for croup and whooping cough. Its effect on the inflamed lining of the throat and air passages is quickly felt and very soothing. Enos Halbert, Paoli, Ind., writes: "I coughed continually and at night could hardly sleep. Foley's Honey and Tar relieved me, and one bottle cured my cough entirely."

Irish Saint Is Honored In Program

Knights of Columbus Hear Charles Cannon of Peru Who Calls Day "Time For Re-consecration to Duty," and a Varied Musical Program of Irish Songs.

"St. Patrick's Day should be a time when all men should re-consecrate themselves to the task remaining before us, that of making the world safe for democracy and of perpetuating the democratic institutions which many Irish leaders helped to establish and preserve," stated Charles M. Cannon of Peru, Ind., in addressing the members of the Knights of Columbus and their guests on the subject, "Romance of the Gael," at the St. Patrick's Day program given in the K. of C. Hall last evening. About 125 attended, included the members of the order, their families and friends.

Mr. Cannon departed from the traditional type of St. Patrick's Day speech by pleading with those of Irish descent to put away any enmity or ill feeling for England and her subjects.

Paul Lagrange sang, "Killarney," Francis and Tom Sullivan sang "Rory O'More," and the K. of C. chorus of young men and women sang, "Wearin' of the Green," as parts of the beautiful musical program. Father M. W. Lyons sang "God Save Ireland," and also made short talks in introducing the numbers on the program. Miss Jennie Madden was accompanist for the musical selections. The excellent program closed with the guests singing, "The Star Spangled Banner."

ADDITIONAL SOCIETY

Miss Henrietta Coleman had a few friends in for a delightful little informal tea yesterday afternoon at her home in East Sixth street.

WATSON BILL TO ASSIST OFFICERS

Measure to Help Families of Commissioned Army Men Approved by Senate Committee

GIVES EXTRA ALLOWANCE

To Officers in Field Service as Well as Those Stationed at Army Posts

Washington, March 18.—All officers in the Army who have families to support will receive material help from the Government if Senator James E. Watson's bill for commutation of quarters is passed. The bill has just been favorably reported by the Senate Committee on Military Affairs.

By a strange ruling of the war department in the time of peace, the expenses of quarters for an officer assigned to an Army post or to duty in Washington, were paid by the Government. But he did not get it in field service.

This extra allowance amounted to about twenty per cent of the officers' annual pay. A second lieutenant for instance with a salary of \$1700 received 15 per cent extra for a house or quarters for his family and children. The same allowance was made for the higher ranks.

On the other hand, when this same officers was assigned to field service he was then deprived of this allowance for his family. Along came the terrible war, officers were sent to France by the thousands and likewise to cantonments in this country. By the foregoing ruling of the Department, these officers at once lost the allowance for quarters for their families the minute they were assigned to the trenches or to camps in the United States.

Senator Watson was the first man in Congress to introduce a bill to remedy this discrimination which gives 15 per cent extra pay to the officer who has a job in Washington and does not give it to the officer who is in the trenches in France or at the cantonment camps in this country. Senator Watson's bill will give this allowance to each class of officers. He is receiving thanks from army men and their families for this just legislative measure which will soon be enacted in their favor.

FIRE INSURANCE IS RAISED 10 PER CENT

Applying to All Business Except Farm Property Goes Into Effect Today

WAR EMERGENCY INCREASE

Due largely to incendiary fires which have caused the various fire insurance companies of the country to pay out an enormous sum of money during the past year, Rush county agents have been advised that an additional charge of ten per cent on rates would go into effect today.

The fire insurance rates will remain the same as now but an additional charge of ten percent of the entire premium will be added. The increase has been referred to as the "ten percent war emergency increase applying to all fires and tornado business except farm property." Local agents have been advised to make their calculations on existing estimates and add ten percent to the results.

A number of reasons have been given as necessitating the increase. Agents state that under the war revenue legislation separate and dis-

PROBABLY ON WAY TO FRANCE

Jerome Caron, son of Mr. and Mrs. C. J. Caron, is probably on his way to France now as his parents have received word from him not to write as he is on his way to some unknown destination. He was in two regiments which have since gone to France but each time was held at Camp Hancock, Ga., because of epidemic breaking out in his company.

2-YEAR-OLD BOY DIES

Robert Kennedy, the two-year-old son of Mr. and Mrs. Herman Kennedy, died at the home of his parents in North Cherry street yesterday following an illness from pneumonia. The funeral services were held at the residence this afternoon at 1:30 o'clock, conducted by the Rev. C. J. Bannell of the First Baptist church.

COMMITTEEMEN CALLED TO MEET

Republican Precinct Workers to be
Here Saturday Following Dis-
trict Session Wednesday

TO PREPARE FOR PRIMARY

Candidates Who Expect to Seek
Nominations Should File De-
clarations in Two Weeks

A meeting of all republican pre-
cinct committeemen and their help-
ers has been called for Saturday af-
ternoon at 1:30 o'clock by County
Chairman A. L. Riggs. Special im-
portance is attached to Saturday's
meeting because of the fact that it
follows the meeting to be held here
Wednesday when the district chair-
man, Walter Bossert, and the acting
state chairman, L. W. Henley will be
here and leave some information for
conducting the primary election.

Aside from the district chairman
and acting state chairman, chairmen
of several counties will be here and
a number of the state candidates
may attend the meeting Wednesday.
Any members of the party wishing
to meet these committeemen are in-
vited to the meeting which will be
held in the office of Mr. Riggs on
Wednesday afternoon at 1:30
o'clock.

"The primary is an open race,"
stated County Chairman Riggs to-
day. "Anyone wishing to run for of-
fice is free to do so. That the elec-
tion be a free-for-all is the purpose
of the primary and unless we take
advantage of it, the object will be
lost."

Only two weeks are left in which
persons wishing to run for office
may file their declarations. To do
so, they may call at the clerk's of-
fice or at the office of the county
chairman of either party for a de-
claration of candidacy, fill it out,
and file it with the county clerk. A
number of candidates have filed
their declarations and others wish-
ing to do so are urged to see to it in
the near future.

Four delegates to the state con-
vention will be elected at the pri-
mary from Rushville township and
one from each of the other town-
ships, making a total of fifteen
which will represent Rush county.
Attention of those wishing to serve
as state delegate is called to the
fact that they must file a declaration
with the county clerk similar to
those running for office and their
names likewise must appear on the
ticket for the primary. These de-
clarations should be filed by the first
of April.

On the declaration of the state
delegate must appear the names of
ten voters of his township. They
need not be from his precinct or
need not be property holders but
must be voters. One of these ten
who have signed the petition then
must take the declaration before a
notary public and swear to the fact
that the candidate wishing to be
state delegate is a voter. County
Chairman Riggs is anxious that as
many as possible of these declara-
tions be in by the time of the meet-
ing of the precinct committeemen
and their helpers on Saturday after-
noon.

In addition to the delegates to the
state convention, the following nom-
inations for county offices, which
will be filled at the election next
fall, will be made at the primary
May 7: coroner, prosecuting attor-
ney, commissioners of the north and
south districts, treasurer, recorder,
sheriff, surveyor, representative, as-
sessor and 7 councilmen. There are
republican candidates announced
for all these offices except council-
men, coroner and prosecutor. Town-
ship assessors, trustees and ad-
visory boards, consisting of three
members also will be nominated.

Mrs. Mary McNair is suffering
from an attack of influenza.

SPEAKERS ARE ORGANIZED

Plans Being Made For Township
Patriotic Meetings.

Speaking teams are being organ-
ized and dates and places fixed for
the opening of the series of patriotic
meetings to be conducted over Rush
county in the near future. It is prob-
able that the series will be started
early next week. About ten Rush
county men will be enlisted as
speakers and will alternate in going
to the different townships to pre-
sent the cause of the Liberty Loan
drive to begin April 6 and each of
the other patriotic enterprises being
urged by the Rush county War ac-
tivities organization.

SIX INDUCTED INTO SERVICE ARE ACCEPTED

Four More Class One Registrants to
go Voluntarily Wednesday to
Vancouver, Wash.

RECEIVE SPECIAL PERMITS

The county army selection board
has received word that all six class
one registrants who have lately
been voluntarily inducted into some
branch of the service have been ac-
cepted at the various camps where
they went.

Four more class one registrants
leave Wednesday for Vancouver,
Wash., to be inducted into the
spruce production division of the
flying section of the signal corps.
They are Earl Miller, Charles Cecil,
Raymond Porter, and George Baker.
They were ready to entrain for
Vancouver once before, but were
notified the branch had been closed
to voluntary induction. However, all
four received special permits to en-
ter from the commander of the camp.

Edgar S. Combs, formerly of
Glenwood, a Rush county class one
registrant, is probably at Fort Ogle-
thorpe, Ga., by this time, the board
believes, because the board has been
informed he was being inducted into
the medical officers' training camp
from Columbus, O., where he has
been employed as a trainman.

FOR VIOLATING THE MOTOR TRAFFIC LAWS

Seven Appear in Police Court Today
And Three Others Were Sum-
moned Who Did Not Come

SIX FOR NOT USING DIMMERS.

Six persons were brought up in
mayor's court this morning and one
this afternoon for violating the mo-
tor traffic laws, one for using a
spotlight in the city and the others
for failing to use dimmers on their
machines.

Wherie Lakin was fined one dollar
and costs for using a spotlight in
the city on his machine and the
same fine was given Walter Smith,
L. E. Gardner, Wallace Cook, Luther
Bundrant and John Norris. Benny
Norris was brought up this after-
noon on the same charge. George
Bell, Rue Webb and James Hobbs
were summoned to the court on a
charge of failing to use dimmers
but did not appear in court.

The police force is enforcing the
traffic laws and lighting rules to the
letter. The arrests were the first
made here this year for violating
the spotlight and dimmer laws. Sev-
eral arrests have been made for not
displaying the proper license num-
bers.

ACCIDENT VICTIMS WELL KNOWN HERE

Mr. and Mrs. Ralph Gray and Two
Children of Anderson Killed
When Train Hits Machine

HAVE VISITED IN RUSHVILLE

Mrs. Gray Was a Neice of Val and
Walter Conaway—Family on
Way to Knightstown

Mr. and Mrs. Ralph Gray and two
children, Mary and Ralph, who were
killed instantly yesterday afternoon
when the automobile in which they
were riding was struck by a Big
Four train at Pendleton, seven miles
southwest of Anderson, were well
known in this city and had visited
here. Mrs. Gray was a niece of
Walter and Val Conaway, who re-
ceived word of the accident yester-
day shortly after it had happened.
She was also a niece of Mrs. Esther
Bailey of Circleville and a cousin
of Charles Alger of this city.

Mr. and Mrs. Gray and children
had left their home in Anderson
shortly after one o'clock, planning
to go to Knightstown. At the cross-
ing where the accident occurred, the
Big Four tracks cross the pike at
an elevation. Trains could be seen,
however, on either side of the road
for half a mile. The auto was run-
ning southwest and the train west.

Although the cause is not known,
it is supposed that Mr. Gray either
misjudged the speed of the train or
failed to see it until it was too close.
The coroner will conduct a rigid in-
vestigation for he has been infor-
med that the train was running fifty
miles per hour.

The automobile was hurled a half
mile down the track by the train
and the bodies of Mr. and Mrs.
Gray and the children were strewn
between the automobile and the
crossing. Mrs. Gray, before her
marriage was Miss Myrtle Tait.

Mr. and Mrs. Walter Conaway
and Mr. and Mrs. Val Conaway went
to Anderson this morning to attend
the funeral services of the Gray
family.

JOHN JOSEPH MURPHY EXPIRES AT CHICAGO

Remains of Former Rushville Boy
Brought Here and Funeral Will
be Held Tomorrow

HE LEFT HERE 15 YEARS AGO

The remains of John Joseph Mur-
phy, formerly of this city, who died
in Chicago from cerebral hemor-
rhage Saturday morning, reached
this city last night and the funeral
services will be held at the St.
Mary's Catholic church at eight
o'clock tomorrow morning, with bur-
ial in East-Hill cemetery. Father M.
W. Lyons will be in charge.

Mr. Murphy was 27 years of age
and until about fifteen years ago
lived in this city. Leaving here
when a boy, he moved to Colorado
and later went to Chicago where he
had made his home for the past few
years and was employed as a clerk
at the Congress hotel. His illness
was brief and he was taken to a
hospital in Chicago Thursday morn-
ing. His death occurred Saturday
morning at 9 o'clock.

His wife, Mrs. Murphy, survives.
She is here for the funeral services.
He was the son of the late Mr. and
Mrs. Dan Murphy of this city. A
brother, George Murphy, of Omaha,
Neb., also survives. Mr. Murphy
was a nephew of the Misses Mar-
garet and Minnie Murphy, Mrs.
George Wingerter, and Ed Gardner
of this city and a grandson of Mrs.
Murphy.

The remains are at the home of
Mr. and Mrs. George Wingerter at
315 West Second street, where
funeral services will be held.

HIGH SEED CORN PRICES LOWERED

Specific Information of Extortionate
Prices to be Investigated by
Committee.

FIVE DOLLARS IS FAIR PRICE

Unusual Shortage in This Section
Causes Grain to Soar
Highest Ever.

The extreme high prices which
have accompanied the sale of Rush
county seed corn as well as the corn
in other sections of the state have
compelled the national agricultural
department and the food adminis-
tration to take steps to prevent specu-
lation and profiteering on the part of
seedmen.

Because of the unusual shortage
for the year 1918 spring planting,
the price of good seed corn soared
almost out of the wildest imagina-
tion of farmers when compared to
the price of the same grain in former
years. Corn has sold recently, in
Rush county all the way from eight
dollars to twenty dollars a bushel,
the greatest part of it having been
sold for twelve dollars, notwithstand-
ing the fact that several weeks ago
five dollars was regarded as a fair
price.

Although the government has placed
emphasis on the fact that there
must be an ample supply of seed re-
gardless of the effort to obtain it, it
does not mean that when once ob-
tained it may sell for prices far
above a fair profit mark. A fair
price should be determined by the
actual service performed in obtain-
ing and conserving such seed.

Certain sections of the country in
the territory including Indiana have
suffered most severely from the out-
landish prices which followed the
acute shortage. Other sections, ap-
parently providing their own require-
ments without difficulty, naturally
found relatively lower prices.

The food administration has an-
nounced that it will take whatever
action is necessary to prevent specu-

SEIZURE OF DUTCH SHIPPING IS DELAYED

Held up a Day Evidently for Pur-
pose of Giving Holland Chance
to Accept Terms

WHAT HER ANSWER MAY BE

(By United Press.)

The Hague, March 18.—Holland's
answer to the allies regarding the
shipping situation will probably be
that she cannot prevent seizure of
her ships but will not agree with the
allies proposals.

Washington, March 18.—Delay in
receipt of an official cable bearing
on the Holland allied negotiation
for taking over tonnage will hold up
the seizure until tomorrow.

While the shipping board stated
today that the navy would take over
the ships at noon, the navy said it
had no orders to put its naval re-
serve men on the vessels today. The
state department indicated Holland
had not accepted the proposed
agreement but added she had never
opposed the use of vessels in the
war zone.

The department claims to have no
reply from Holland and it appears
that the delay in requisitioning was
to allow an opportunity to Holland
to make a last minute agreement.

Harry Hawk and Bert Heisner
narrowly escaped injury last night
when the machine in which they
were riding slipped off the road

bruised. No bones were broken and
the injuries of the young men are
not serious. The machine was dam-
aged slightly.

TEACHERS WILL MEET IN ANNUAL SESSION

Local Teacher Will Appear on Pro-
gram For District Meeting to
be in Richmond

WILL BE TWO DAY MEETING

The fourth annual session of the
sixth district teachers association
will be held at Richmond on Friday
and Saturday of this week. A good
representation of Rush county
teachers will attend the meeting and
several will take part on the pro-
gram.

J. H. Francis, superintendent of
the Columbus, Ohio, schools, who
addressed a recent city teacher's
institute here, will be one of the
principal speakers. Friday evening
he will talk on "The Discovery and
Development of Human Power," and
Saturday afternoon on "Time Con-
servation in Education."

Miss Marjorie Smith, teacher in
the Graham Annex, will talk on
Saturday morning, representing the
intermediate section of the school
with a talk on "English—Composi-
tion and Story Telling." Miss Mable
Huber of Mays will lead in the dis-
cussion following the talk. W. E.
Wagoner of Milroy is vice-president
of the association and on the exe-
cutive committee. Superintendent J.
H. Scholl will have a part on the
program.

Previous association meetings
have been held in Rushville, Con-
nersville and Newcastle.

BELIEVES RUSSIAN PEOPLE WILL RECOVER

Embassy at Washington Says Peo-
ple Will Re-establish Free and
Independent Country

TROTZKY ON JAP QUESTION

(By United Press.)

Washington, March 18.—That the
Russian people will continue to fight
and by the assistance of the allies
will recover from the German ten-
nine peace blow and re-establish a
free and independent Russia, was
the belief of the embassy today.

Petrograd, Mar. 18.—Leon Trot-
zky, Bolshevik war minister declar-
ed in an interview today that an
agreement exists between German
and Japan to "divide Russia" to
reach each others mutual interests.
Trotzky declares that the allies
greatest error has been in assisting
the Japanese plan for occupation of
Siberia.

"America will be the first to re-
gret the allied policy," he said.

TWO BOLSHIEVSKI QUIT

Petrograd, March 18.—Two Bol-
shevik commissioners quit the cabi-
net in addition to the 4 social re-
volutionists as a result of their re-
jection of the German peace treat-
ies. They announced their intention of
declaring a "merciless" war on im-
perialism.

NO OFFENSIVE IS INTENDED IN WEST

This is Belief of War Department
According to Weekly Review
Issued Today

CONCENTRATION AT THE LIMIT

American Troops Occupy Trenches
at Five Points And Are Con-
stantly in Action

(By United Press.)

Washington, March 18.—The war
department for the first time today
indicated its belief that the Germans
do not intend a major west front of-
fensive this spring.

"While hostile preparations for an
offensive in the west are not slack-
ing it is becoming more evident that
the enemy will launch this offensive
only in circumstances compelled by
the general situation," says the
weekly review.

"German concentration of troops
on the west front has now reached
the limit."

The statement also reveals that
American troops now occupied
trenches at five points and that they
have been constantly in action.

Peace Drive For Offensive.

London, March 18.—Germany has
substituted its most subtle peace
drive for its long expected western
offensive.

The result of this move depends on
the ability of allied statesmanship to
show the people that this war is not
lost and will be repeated if the allies
are induced to trade their advantage
in the west for German's advantage
in the east and make peace on the
German terms.

The recent peace feelers soon will
assume tangible form, including not
only complete restoration and repa-
ration for Belgium and France but a
compromise on the disposition of
Alsace and Lorraine. Besides an of-
fer will be made to assume liability
for the big French loans to Russia,
which the Bolsheviks repudiated,
provided Germany is given a free
hand in the west.

British Conduct Raids.

London, March 18.—The British
troops successfully raided enemy po-
sitions last night taking several
prisoners and sustaining slight
losses. Field Marshall Haig reported
today. Strong artillery was re-
ported along the right of the Meuse
and the Vosges, in today's official
Paris statement.

HELD FOR MORTGAGING MORTGAGED PROPERTY

Paul H. McConnell, Former Drug
Store Proprietor Here, Arrested
in Indianapolis Today

MISREPRESENTATION ALLEGED

Paul H. McConnell, former owner
of the new defunct Court House drug
store, was arrested in Indianapolis
today by Deputy Sheriff Will Spivey
for mortgaging mortgaged property.
He was brought here this afternoon
and placed under \$500 bond when
arraigned before Judge Sparks. Late
this afternoon he had not yet ob-
tained bond.

It is alleged that McConnell's store
was mortgaged and the mortgage
was held by the Kaifer Drug company
of Indianapolis when McConnell
mortgaged the store again and ne-
gotiated a loan of \$5000 from the
city. It is charged that he swore
when mortgaging the stock that he
owned it and that there was no other
mortgage on the place.
McConnell while he was conduct-
ing the store here, was twice prose-
cuted in the circuit court for the il-
legal sale of mortgaged goods and
was acquitted both times.

Women Prepare

Thousands of women in Indiana have overcome their sufferings, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. This temperance medicine, though started nearly half a century ago, sells most widely today. It can now be had in tablet form (50c a package) as well as liquid, and every woman who suffers from backache, headache, nervousness, should take this "Prescription" of Dr. Pierce's. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription, for its ingredients are printed on wrapper. Send 10c for trial package tablets to Dr. V. M. Pierce, Invalids' Hotel, Buffalo, N. Y.

OPERATION AVOIDED

LAFAYETTE, Ind.—"Three years ago I was taken to the hospital—all arrangements made for an operation, but when the doctors were uncertain as to whether it was to be for appendicitis or woman's trouble I insisted upon being taken home until they were of one opinion as to my ailment. Then a friend told me what wonderful remedies Dr. Pierce's were, selling right from the drug shelves, and thought they might give me relief. I bought a bottle each of 'Favorite Prescription' and 'Golden Medical Discovery' and a box of 'Lotion Tablets.' These relieved me of a catarrhal condition, all abdominal pain, etc. But I took the medicines for almost a year to make sure of a complete recovery. Today I am in absolutely good health."—Mrs. U. S. LEARN FOOD CONSERVATION

Soldiers Taught This in Camp, Corporal Smith Says in Talk Here

"Along with the arts of fighting every soldier in the country is learning food conservation," stated Corporal Wallace Smith of Fort Thomas, Ky., in a short address before the Sunday school classes of the First Presbyterian church yesterday morning.

The minimum amount of waste from the mess shacks was discussed that in recent months the waste from the mess kits had decreased fifty percent. Portions of bread left untouched at the end of a meal are kept, with the soldiers tag on them, until the next meal when the "left-overs" must be eaten before they are given more.

WHY WE SHOUT FOR OURSELVES

We are not doing our own shouting just because others will not shout for us—no. We are simply CALLING YOUR ATTENTION to the shouting our customers are doing for the RUSHVILLE SPECIAL manure spreader which sure is a wonder worker when compared with everything else on the market.

This modern machine, built especially for us and to fill the needs of this territory, is the machine you will buy SOME DAY, and so why not buy it NOW. It is the spreader that is going to gradually out-class everything else in the field, and we have at least twenty special reasons for making this positive statement.

One of the special reasons why this spreader takes the lead is the SELF-CLEANING CONVEYOR—the conveyor that cannot foul or clog and which is good for any climate or any weather or any kind of material. Another reason is the NO CHOKE BOX which cannot be choked down like you can choke other spreaders. You must see this expansion chamber to appreciate it.

Two more reasons are: First, a beater wheel or cylinder that cannot be clogged, cannot choke down with any kind of material that ever comes from a spreader. Our BULL-DOG tells its own story. We also want to refer to our OIL-PACKED MAIN BEARINGS, like the bearings under a freight car. They feed the oil automatically and never go dry.

We are going to give you a lot more points in favor of this spreader a little later on, but we want you to come and see this wonderful machine now—see it on the floor and see it working in the field. We can prove our case if you will give us a chance.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

NATURE'S WAY TO OVERCOME STOMACH TROUBLE

How the Body Can be Fortified to
Correct Digestive Upsets, Colds,
The Grip, Tonsillitis And
Other Ailments

For 28 years Hull's Superlative has been meeting with remarkable success in overcoming sickness and ailments of various kinds, and for this reason was heralded as "the greatest medicine on earth." A recent analysis of this preparation by Prof. Cloyd M. Reeg, Dean of the Department of Science, Findlay College, proved that it was not in reality a medicine, but a tissue and vitality-builder, and contains in very highly concentrated form all the important minerals of which the body is composed and which are necessary to maintain the health-balance that insures greater efficiency.

Now that it has been demonstrated that Hull's Superlative is not a "cure-all," but tissue and nerve builder, men and women are quick to realize the value of this preparation in time of need, and very gratifying results have been reported by many people in this city since they began to take it.

Hull's Superlative has restored health in thousands of cases of kidney, liver, bladder and bowel trouble, rheumatic conditions, anemia, loss of health and strength, nervous disorders and similar ailments.

So confident are the makers of Hull's Superlative that it will restore health without fail in every instance—no matter what the trouble may be—that druggists have been instructed to refund the price paid if a customer does not get the results he thinks he should. This certainly is a very broad guarantee.

DELCO-LIGHT

Attract "Hired Labor" to the Farm Increases Farm Efficiency

Most men who work for wages prefer the city shops—a definite number of working hours. On the farm there can be no fixed working schedule. At the end of a hard day's work there are always the "chores" to be done.

But where DELCO-LIGHT is used there is plenty of bright, safe electric light. "Chores" can be done with half the time and effort. The water may be pumped electrically, and there is also electric power for operating machines that must otherwise be turned by hand.

And then, after the day's work is finished, the "hired man" may share the comfort and contentment of a well-lighted, modern home, or he can retire to a private, cheerful room of his own. DELCO-LIGHT is a complete electric light and power plant.

DELCO-LIGHT runs on kerosene, and soon PAYS FOR ITSELF IN TIME AND LABOR SAVED.

Rushville Evidence For Rushville People

The Statements of Rushville Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof. Public statements of Rushville people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Rushville man's statement.

And it's for Rushville people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

Samuel A. Brown, 206 Pearl St., says: "I had a severe attack of backache and it became worse every day. Finally the trouble was so bad I could hardly raise my foot about the ground. When I stooped I thought my back would break. I used Doan's Kidney Pills and was surprised at the prompt way in which they stopped the trouble. In a few days I was free from pain. Price 50c at all dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mr. Brown used."

RUSH PROH. PARTY FOR COUNTY RALLY

Temperance People Arrange Meeting to be Held in Court House April 6

PART OF STATE CAMPAIGN

Oliver W. Outland, representing the Indiana Dry Federation, has completed arrangements for the county rally of the Temperance people of the county to be held in the court room in the court house on April 6.

The state executive secretary, F. W. Lough, with his singer, J. W. Huddleston, together with other workers, will have charge of the day's program. A state-wide campaign is being launched for the stirring up of sentiment in behalf of war prohibition, and the election of members to the next legislature, who will stand on a platform of non-repeal of our state-wide law, and for the ratification of the National prohibition amendment.

The first session of this County Rally and Conference will begin promptly at 10:30 and the afternoon meeting at 1:30.

Amusements

At the Princess

Kitty Gordon, noted for her beautiful and elaborate costumes, appears at the Princess theatre this evening in "Her Hour," a story of New York cabaret life, with scenes laid in some of the city's best known cafes. The story holds many thrilling situations. In addition an extra Ford educational weekly will be shown. Tuesday's program holds two features. They are Fatty Arbuckle in "Oh Doctor," said to be one of his funniest pictures, and Pauline Frederick in "Double Crossed," a dramatic picture of deep interest.

William Fox will present Theda Bara in "Cleopatra," the widely heralded film version of the love of Egypt's siren Queen at the Princess next Friday afternoon and evening. Described as a film spectacle of surpassing beauty, "Cleopatra" bears on the screen the passions of the vampire of the Nile. The ancient siren is admirably impersonated by the foremost modern exponent of siren roles. The filmed Cleopatra depicts her historical encounters with Caesar and Anthony, and the defeat of her army and that of Anthony with the forces of Octavius. It shows as well the world's first naval battle of Actium—where the combined fleets of Anthony and Cleopatra were routed and finally burned to the water's edge by the Romans.

At the Gem

It is not generally known that an adventure of Irene Castle's almost deprived America of her presence "for the duration of the war." While Vernon was serving with the British Royal Flying Corps in France he was wounded and sent to England to recuperate. Mrs. Castle crossed the Atlantic to see him, and when he had recovered and was about to return to the front, she prepared to return to America.

"I discovered," she says, "that I was a British subject, because of my marriage to Vernon, and they were prohibiting all English people from leaving England."

"Finally the situation was explained by an influential friend to some influential friend of his and—well, influence is a great help in some cases."

She is certainly back now and is to be seen at the Gem theatre today in one of her big Pathe features called "Vengeance is Mine."

LEBANON WINS AGAIN

Bloomington, Ind., March 18.—Lebanon won the state high school basketball championship here Saturday night by knocking out Anderson in five minutes overtime in the final game of the tournament. The score was 20 to 20 when time was called and Lebanon scored four points in the five minutes. Lebanon won the tournament last year and also once before, when it was state champion.

Private Herman Osborne who will return to his regiment at Camp Shelby Wednesday entertained a number of friends at his home in West First street yesterday evening with an informal dinner party in honor of Thomas McClelland of Louisville, Ky. The dining room was attractively arranged with a profusion of flowers and greenery and the guests favors and place cards were suggestive of St. Patrick's day. Covers were laid for Miss Mattie Bates, Miss Sarah Whitesides, Miss Mary Gardner, Miss Marietta Bull, Miss Rena Rott, Hugh Gordon, Herschel Small, Ray Foster, Russell Ruhlman and Elmer Osborne.

A surprise dinner party honoring the birthday of Ed L. Beer was given last night at six o'clock at the Beer House when the Members of the Harmony club and several other guests were entertained. In the dining room where an attractive color scheme of green and white was carried out, flags, napkins, place-cards and the artistic floral decorations were all suggestive of St. Patrick's day. The guests, among whom were Mr. and Mrs. M. C. Smith and sons of Cincinnati, presented the guest of honor with a rocking chair.

The Sunday school class of the St. Paul's Methodist church taught by Miss Ellen Vickery met Friday evening at the home of Miss Anna Siders for the purpose of perfecting a complete class organization. Miss Hazel Stech was elected president, Miss Maud Smith, secretary and Miss Anna Siders treasurer. The class has been named the Good Samaritan and at their initial meeting voted to open a Thrift Stamp bank.

Green carnations made an attractive decoration in the dining room at the home of Mr. and Mrs. Perry Cross south of the city yesterday when they entertained with a twelve o'clock dinner party. Covers were laid for Mr. and Mrs. Samuel Hendricks, Mr. and Mrs. Carl Hendricks, Mr. and Mrs. Raymond Fair, Mr. and Mrs. Ernest Lipville and children, Miss Edna McGuire, Thomas Fair, Miss Adaline Newland and William Fair.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back Hurts or Bladder bothers. Meat forms uric acid.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have nervous headache, aches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in uric acid, to loosen a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent little water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Low Lewis of Manila has announced his candidacy for the Democrat nomination for trustee of Walker township and is opposed to Ezra Carmony of west of Manila, who moved to Walker township about 8 years ago from Shelby county. Mr. Lewis is an active party worker.

Hugh Dillman, of New York who has frequently visited Denning Havens in this city is expecting to sail for France at any time. He is in the Radio service of the army. He gave up a position of one of the leading roles in the Barrie Plays, which recently played in Indianapolis, to enter the service.

R. J. Blank, a former teacher in the local high school who is now stationed at Fort Thomas, Ky., has been released from the base hospital after being confined there for several weeks with various illnesses. First he suffered an attack of appendicitis and was out of the hospital only one day after that when he contracted scarlet fever. During the first week of his sickness with fever, he had mumps. He has recovered now.

MOVE TO NEW STORE ROOM

Callaghan Co. and H. S. Havens 2 Doors West of Former Place

The Callaghan Company and H. S. Havens have practically completed moving from their former room in East Second street two doors west to the room directly east of Aldridge's grocery. The room has been remodeled for the dry goods and shoe store and made very modern and convenient. The change resulted in the room being made much lighter than formerly. A balcony has been built over the rear of the room for children's clothes and a stairway leads from the balcony to the second floor.

GAVE HER DELICATE CHILD VINOL

It Built Him Up and Made Him Strong

Newaygo, Mich. "My little boy was in a delicate weak, emaciated condition and had a cough so we had to keep him out of school for a year. Nothing seemed to help him until Vinol was recommended, and the change it made in him was remarkable. It has built him up and made him strong so his cough is almost entirely gone. We can not recommend Vinol too highly." Mrs. E. M. Hamilton.

Mothers of weak, delicate, ailing children are asked to try this famous cod liver oil and bone marrow preparation. Children love to take it. Dr. J. B. Johnson, of Newaygo, Mich., writes: "My son, who was born with a weak constitution, was a delicate child, and I was anxious to get him strong. I gave him Vinol, and in a few days he was as strong as a horse."

Foley's Honey and Tar relieved me, and one bottle cured my cough entirely." F. B. Johnson.

Irish Saint Is Honored In Program

Knights of Columbus Hear Charles Cannon of Peru Who Calls Day "Time For Re-consecration to Duty" and a Varied Musical Program of Irish Songs.

St. Patrick's Day should be a time when all men should re-consecrate themselves to the task remaining before us that of making the world safe for democracy and of perpetuating the democratic institutions which many Irish leaders helped to establish and preserve," stated Charles M. Cannon of Peru, Ind., in addressing the members of the Knights of Columbus and their guests on the subject, "Romance of the Gael," at the St. Patrick's Day program given in the K. of C. Hall last evening. About 125 attended, including the members of the order, their families and friends.

Mr. Cannon departed from the traditional type of St. Patrick's Day speech by pleading with those of Irish descent to put away any enmity or ill feeling for England and her subjects.

Paul Lagrange sang, "Killarney," Francis and Tom Sullivan sang "Rory O'More" and the K. of C. chorists of young men and women sang "Yearin' of the Green," as part of the beautiful musical program. Father M. W. Lyons sang "God Save Ireland" and also made short talks in introducing the numbers on the program. Miss Jennie Madden was accompanist for the musical selections. The excellent program closed with the guests singing "The Star Spangled Banner."

WATSON BILL TO ASSIST OFFICERS

Measure to Help Families of Commissioned Army Men Approved by Senate Committee

GIVES EXTRA ALLOWANCE

To Officers in Field Service as Well as Those Stationed at Army Posts

Washington, March 18.—All officers in the Army who have families to support will receive material help from the Government if Senator James E. Watson's bill for commutation of quarters is passed. The bill has just been favorably reported by the Senate Committee on Military Affairs.

By a strange ruling of the war department in the time of peace, the expenses of quarters for an officer assigned to an Army post or to duty in Washington, were paid by the Government. But he did not get it in field service.

This extra allowance amounted to about twenty per cent of the officers' annual pay. A second lieutenant for instance with a salary of \$1700 received 15 per cent extra for a house or quarters for his family and children. The same allowance was made for the higher ranks.

On the other hand, when this same officer was assigned to field service he was then deprived of this allowance for his family. Along came the terrible war, officers were sent to France by the thousands and likewise to cantonments in this country. By the foregoing ruling of the Department, these officers at once lost the allowance for quarters for their families the minute they were assigned to the trenches or to camps in the United States.

Senator Watson was the first man in Congress to introduce a bill to remedy this discrimination which gives 15 per cent extra pay to the officer who has a job in Washington and does not give it to the officer who is in the trenches in France or at the cantonment camps in this country. Senator Watson's bill will give this allowance to each class of officers. He is receiving thanks from army men and their families for this just legislative measure which will soon be enacted in their favor.

FIRE INSURANCE IS RAISED 10 PER CENT

Applying to All Business Except Farm Property Goes Into Effect Today

WAR EMERGENCY INCREASE

Due largely to incendiary fires which have caused the various fire insurance companies of the country to pay out an enormous sum of money during the past year, Rush county agents have been advised that an additional charge of ten per cent on rates would go into effect today.

The fire insurance rates will remain the same as now but an additional charge of ten percent of the entire premium will be added. The increase has been referred to as the "ten percent war emergency increase applying to all fires and tornado business except farm property." Local agents have been advised to make their calculations on existing estimates and add ten percent to the results.

A number of reasons have been given as necessitating the increase. Agents state that under the war revenue legislation separate and dis-
